

## **Clearwater Solar Panel Project**

**Proposed Recipient:** City of Clearwater, FL

**Address of Recipient:** 100 S. Myrtle Ave., Clearwater FL, 33756

**Amount of the Request:** \$1,582,000

**Explanation:** Funding would be used to purchase and install solar array systems on five city-owned facilities as part of Clearwater's sustainability plan. This project will enable the City to generate over 700 kilowatts of solar energy and contribute to the nationwide shift to clean and renewable energy. Additionally, this will help the City meet its goals of reducing greenhouse gas emissions 25% below 2007 levels by 2035 and 80% by 2050.
