The Honorable Kay Granger
Ranking Member
Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Largo Public Library Solar Installation Project in Fiscal Year 2023.

The entity to receive funding for this project is the City of Largo, FL, which is located at 201 Highland Ave N, Largo, FL 33779.

The funding would be used to install a 150 kilowatt solar panel system on the roof of the Largo Public Library, thereby reducing the facility's reliance on the grid, saving considerable taxpayer funds on energy expenses, providing the facility with a long-lasting source of renewable energy for up to 20 years, and aiding the City in reaching its goal of 100% renewable energy by 2035.

I certify that neither I, nor my immediate family, has any financial interest in this project.

Sincerely,

Charlie Crist
