The Honorable Kay Granger

Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Police Computer-Aided Dispatch (CAD)/Record Management System (RMS)/Mobile System in Fiscal Year 2023.

The entity to receive funding for this project is the City of St Petersburg, Florida, which is located at 175 5th St N, St. Petersburg, FL 33701.

The funding would be used to purchase and implement a single police CAD/RMS/Mobile System to be utilized and shared by a number of municipalities in the region. The CAD/RMS systems currently in use are rapidly approaching the end of their useful life, making the replacement of the existing independent systems a crucial priority for the community. Additionally, having a shared CAD system will increase efficiency in workflow; reduce repetition of data entry; and save time in managing, processing, and dispatching response resources in emergency situations, thereby saving lives.

I certify that neither I, nor my immediate family, has any financial interest in this project.

Sincerely,

Charlie Crist
