The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Gulfport Multipurpose Senior Center in fiscal year 2023.

The entity to receive funding for this project is the City of Gulfport located at 2401 53rd Street South Gulfport, FL 33707.

This funding would be used to construct a new Multipurpose Senior Center in the City of Gulfport. The center would provide services to more than 90,000 seniors in the community annually; providing them with a centralized hub for resources and a gathering place to be socially engaged, physically challenged, and cognitively stimulated. The current Senior Center was built in 1983, and has not undergone a significant renovation since its construction. Since then, the needs of the senior community have changed significantly while the population has also grown much larger.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Charlie Crist
UNITED STATES CONGRESSMAN
