

## **Gulfport Multipurpose Senior Center**

**Proposed Recipient:** City of Gulfport, FL

**Address of Recipient:** 2401 53rd Street South, Gulfport, Florida 33707

**Amount of the Request:** \$1,500,000

**Explanation:** Funding would be used to construct a new Multipurpose Senior Center to serve the more than 90,000 seniors in the Gulfport community. The current Senior Center was built in 1983 and has not undergone a significant renovation since its construction. The Center will serve as a gathering place for Pinellas seniors to be socially engaged, physically challenged, and cognitively stimulated; as well serve as a clearinghouse to provide community resources and social services that will help members of the senior community maintain their independence and quality of life.
