Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the following community project in Fiscal Year 2022: Pinellas County Sanitary Sewer Interceptor at Pinellas Park.

The entity to receive funding for this project is Pinellas County, located at 315 Court St., Clearwater, FL 33756.

The funding would be used by Pinellas County to eliminate a repetitive sanitary sewer overflow occurring in the City of Pinellas Park during wet weather events. The project will consist of designing and constructing a sanitary sewer force main with greater capacity to convey the wastewater safely and effectively for treatment. These overflows contain raw sewage, so this project will protect water quality and the environment, while enhancing the resiliency of Pinellas County's wastewater systems.

I certify that neither I, nor my immediate family, has any financial interest in this project.

Sincerely,

Charlie Crist  
UNITED STATES CONGRESSMAN
