**A BILL**

To authorize the President to enter into a cooperative project agreement with Israel to counter unmanned aerial vehicles that threaten the United States or Israel.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “United States-Israel  
5 Joint Drone Detection Cooperation Act”.

1 **SEC. 2. AUTHORITY TO ENTER INTO A COOPERATIVE**  
2 **PROJECT AGREEMENT WITH ISRAEL TO**  
3 **COUNTER UNMANNED AERIAL VEHICLES**  
4 **THAT THREATEN THE UNITED STATES OR**  
5 **ISRAEL.**

6 (a) FINDINGS.—Congress finds the following:

7 (1) On February 10, 2018, Iran launched an  
8 unmanned aerial vehicle (commonly known as a  
9 “drone”) from Syria that penetrated Israeli air-  
10 space.

11 (2) Israeli officials noted that the unmanned  
12 aerial vehicle was in Israeli airspace for a minute  
13 and a half before being shot down by the Israeli air  
14 force.

15 (3) Senior Israeli officials stated that the un-  
16 manned aerial vehicle was an advanced piece of tech-  
17 nology.

18 (4) It remains unclear whether the unmanned  
19 aerial vehicle was armed. Nonetheless, the launch,  
20 and sophistication of the unmanned aerial vehicle,  
21 highlight the threat Israel faces from unmanned aer-  
22 ial vehicles from Iranian forces active in Syria and  
23 from Hezbollah in Lebanon.

24 (5) The United States likewise faces the threat  
25 of unmanned aerial vehicles along the United States  
26 border and in areas of active hostilities, including

1       unmanned aerial vehicles of the Islamic State of  
2       Iraq and Syria (ISIS) in Iraq and Syria and un-  
3       manned aerial vehicles manufactured of al-Qaeda in  
4       Afghanistan.

5       (b) SENSE OF CONGRESS.—It is the sense of Con-  
6       gress that—

7               (1) joint research and development to counter  
8       unmanned aerial vehicles will serve the national se-  
9       curity interests of the United States and Israel;

10              (2) Israel faces urgent and emerging threats  
11       from unmanned aerial vehicles and other unmanned  
12       aerial vehicles, launched from Lebanon by  
13       Hezbollah, from Syria by forces of Iran’s Revolu-  
14       tionary Guard Corps, or from others seeking to at-  
15       tack Israel; and

16              (3) the United States and Israel should con-  
17       tinue to work together to defend against all threats  
18       to the safety, security, and national interests of both  
19       countries.

20       (c) AUTHORITY TO ENTER INTO AGREEMENT.—

21              (1) IN GENERAL.—The President is authorized  
22       to enter into a cooperative project agreement with  
23       Israel under the authority of section 27 of the Arms  
24       Export Control Act (22 U.S.C. 2767) to carry out  
25       research on and development, testing, evaluation,

1 and joint production (including follow-on support) of  
2 defense articles and defense services to detect, track,  
3 and destroy unmanned aerial vehicles that threaten  
4 the United States or Israel.

5 (2) APPLICABLE REQUIREMENTS.—The cooper-  
6 ative project agreement described in paragraph  
7 (1)—

8 (A) shall provide that any activities carried  
9 out pursuant to the agreement are subject to—

10 (i) the applicable requirements de-  
11 scribed in subparagraphs (A), (B), and (C)  
12 of section 27(b)(2) of the Arms Export  
13 Control Act; and

14 (ii) any other applicable requirements  
15 of the Arms Export Control Act with re-  
16 spect to the use, transfers, and security of  
17 such defense articles and defense services  
18 under that Act; and

19 (B) shall establish a framework to nego-  
20 tiate the rights to intellectual property devel-  
21 oped under the agreement.
