

## **The Woodson African American History Permanent Exhibition Acquisition and K-12 Curriculum Project**

**Proposed Recipient:** Dr. Carter G. Woodson African American History Museum

**Address of Recipient:** 2240 Ninth Ave. South, St. Petersburg, FL 33712

**Amount of the Request:** \$5,000,000

**Explanation:** Funding would be used to buy and house permanent exhibits within the Museum and to develop a K-12 curriculum based on those collections. The curriculum will address national African American history, as well as elements unique to Florida, via workshops, pre-made lesson plans, interactive activities, tours and other programming. This project will enhance the educational experience of students locally and across the country, draw greater diversity in tourism to the region, and preserve the culture of African American history in Florida.
